Thoughts on Mercy

“If any one of us does not feel in need of the mercy of God, does not see himself as a sinner, it is better for him not to go to Mass! We go to Mass because we are sinners and we want to receive God’s pardon, to participate in the redemption of Jesus, in his forgiveness.” ~ Pope Francis

Prayer for Elected Leaders

Heavenly Father, in your Providence, you have raised up leaders to govern for the good of the community and to safeguard the dignity and worth of every human life.

We ask you to provide our elected officials with humility, so they might know it is you whom they serve; wisdom, so they might see how best to serve you; and courage to follow through with these convictions, no matter the personal cost.

In a special way, we pray for our legislators here in Minnesota, that their deliberations may be guided by civility, and that their decisions might be made with the interest of every individual and the wider community in mind.

We ask this through Christ our Lord. Amen.

Sympathy

Our Lady of the Pines Parish Community extends its sympathy and prayerful support to Peggy McAllister and the members of her family at the death of her mother **+Catherine Ryan**. Her funeral was celebrated in the Twin Cities last weekend. May she rest in peace!

Thanksgiving Day Mass: 9:00 AM

Faith

“Faith is like a bright ray of sun light. It enables us to see God in all things as well as all things in God.”

Sunday Reflection: The Second Coming of Jesus

The earliest Christians believed that the end of the world and the Second Coming were imminent. As the years went by and nothing happened, they had to accommodate themselves to a longer wait.

Confident predictions of the end of the world have been made in almost every century since the first. The 19th and 20th centuries were especially rich in them. Various sects even gave a precise closing date: March 21, 1843, October 22, 1844, June 27, 1850.... The 20th century was even more fruitful than the 19th: 1914, 15, 18, 19, 20, 25, 41, 75 and 94. But we are still here!

The “end-of-the-world people” perform a valuable service for us: They keep the Second Coming of Jesus before our eyes. They challenge us to “plan our life as if Christ’s return were years away, but live our lives as though it were today”. What matters is, not the timing but the fact that Christ will come again. The Second Coming of Christ is an integral part of Christian belief: ‘Christ has died, Christ is risen, Christ will come again.’ But no date is given. Hope is not the same as prediction.
